## **JOB SUMMARY**

An instructor's primary job responsibility is to provide the supports necessary for each person served to meet his/her goals & objectives for the IP year. In this regard your job description will change from consumer to consumer and from year to year. Employees must be flexible, creative and willing to participate in activities that may not be personally appealing.

Counterpoint staff provide for the health, safety, cleanliness and comfort of the individuals; their treatment and training, caring for the home, its furnishings and equipment. Other job duties involve assistance and supervision to perform daily living skills, observing individuals for behavior changes and signs of illness or injury, reporting and documentation of observations and events.

Instructors will conduct structured training programs, and participate in the development of Individual Program Plans, and each individual's IP document. Instructors may be required to assist with consumer assessments, pre-tests, and baselines as assigned.

Staff who have completed the probationary period may be designated as shift supervisor by Group Home Manager and will assist in providing orientation to new staff. The Instructor is responsible for complying with corporation policies, procedures and contractual obligations including but not limited to: Accreditation organizations and the Developmental Disabilities Division.

**Staff will be required to accompany individuals in a variety of community based activities and are expected to be teachers and role-models for members of the community.**

## **ESSENTIAL FUNCTIONS**

**Physical:** The essential physical functions of this job will involve; intermittent bending, twisting, reaching & stooping, standing & walking throughout household for time periods of up to two hours without rest, walking in the community for distances up to two miles, driving/sitting for up to three hours without rest, assistive transfers & pushing/pulling of wheelchairs & hoist lifts for persons weighing up to 200 lbs.

**Mental/Cognitive:** Oral and written communication with co-workers, consumers, and members of the community. Written documentation of job related issues such as: daily logs, consumer programs, medical forms and incident reports. Calm response to crisis situations, sound judgement, and observation of consumers for signs of illness. Assisting consumers with medications.

**Marginal Functions:** Occasional lifting of up to 25 lbs.

## **ADMINISTRATIVE**

1. Assist in training new staff and volunteers.
2. Schedule substitutes as needed using approved substitute pool.
3. Follows appropriate chain of command to resolve conflicts directly affecting job performance.
4. Attends all staff meetings and in service training as scheduled by Group Home Manager or Program Managers.
5. Maintain contact with families, advocates, guardians, doctors, and therapists of individuals living in the Group Home.
6. Report to Specialist or Group Home Manager any problems or concerns, need for repairs, household supplies, training, professional or client supplies.
7. Document daily activities, programs, and health issues.

## **CLIENT SERVICES**

1. Supports individuals in developing their physical, intellectual, social, and emotional capacities to the fullest extent.
2. Provides assistance or supervision in personal care such as eating, bathing, grooming, toileting, and dressing.
3. Reports to Group Home Manager or Program Manager individuals in need of referral/special services.
4. Ensures the protection of individual's rights.
5. Provide transportation and assistance to individuals with medical appointments, recreational outings or personal outings.
6. Follow procedures for handling individual's finances.
7. Keeps individuals safe, clean and comfortable.
8. Conducts assigned skill training and behavior management programs, recording and documenting required data.
9. Maintains the safety and cleanliness of the Group Home: completes routine household chores such as dusting, making beds, mopping, vacuuming, dishes, cooking, lawn and garden chores as assigned.
10. Prepares meals in accordance with established menus, assists and supervises individuals during meals and cleanup.
11. Provides input to Specialist and Program Manager regarding IP goals and objectives.

## **SPECIAL CONDITIONS**

1. May be required to alter scheduled hours or days off as necessary.
2. Continuous exposure to household cleaning supplies and disinfectants.
3. Shifts of longer than 8 hours are required on weekends, holidays, possibly for special outings.
4. Exposure to unpleasant sights, sounds, and odors, and physical aggression may be encountered.
5. May be required to attend religious services as a support person to the individuals served.
6. Additional job duties may be required as assigned by the supervising staff.
